UTEP Clery Crime Statistics 2011

This chart includes offenses that were reported to the University of Texas at El Paso Police Dept., El Paso Police Dept., and other College officials who have significant responsibilities for student and campus activities. The statistics in this brochure are published in accordance with the standards and guidelines used by the FBI Uniform Crime Reporting Handbook and the relevant federal law (the Clery Act).

It should be noted that the Clery Crime Statistics will not always match UCR statistics due to different definitions.

<p style="text-align: center;">Crimes and any arrests / referrals reported in the <i>Residential Facilities</i> are included as a subset of crimes and arrests / referrals in the <u>Total Campus</u> category.</p>												
<p>The term "non-campus property" includes the areas off the main campus owned or controlled by the institution, used in relation to educational purposes, and frequently used by students.</p>												
<p>"Adjacent Public Property" includes thoroughfares, streets, sidewalks, and parking facilities that are within the campus or immediately adjacent to and accessible from the campus. (Public areas that border the campus) These incidents/arrests occurred on public property adjacent to campus. For example, if an El Paso PD officer stops a vehicle on a street adjacent to campus and makes an arrest for drugs that would count as a statistic for a drug arrest and would be recorded in these columns.</p>												
<p>If you have any questions about the crime statistics or safety issues on campus, please don't hesitate to contact the UTEP Police Dept. at (915) 747-5611.</p>
