Gracias Thank You

Dear Mr. Chacón:

Thank you for taking time from your busy schedule to present at the TACHE 2001 Northeast Region Conference, *Expanding the Latino Participation Beyond Student Recruitment*, on March 31, 2001 at the University of North Texas at Arlington. You are an outstanding Latino role model and your words of wisdom will make a difference in the lives of those individuals who had the opportunity to attend this event and interact with you. A nombre del Comité de Planeación de la Conferencia, muchas gracias.

Cordialmente,

Gloria B. Bahamon

TACHE Northeast Region Representative
