sail through summer with a special Zale value!

ADVERTISEMENTS
He was a dreamer and a visionary, yet his practical mind joined the two great oceans of the world. He walked softly, but carried a big stick to show that he would defend the right. He was a kind and gentle father, yet he led one of the fiercest attacks in military history. He was a small man, yet he stood as a giant among the men of his time. He stood for the highest principles, for his country above all.

He was an American.

His name was Theodore Roosevelt, twenty-sixth President of the United States.

Walk tall, as he did, through your life. Walk with pride, as he did. Walk confidently into the future, as he did. When you do this you will have a part in building a greater America, as he did.
