

# Latinos in LOTUSLAND

AN ANTHOLOGY OF CONTEMPORARY SOUTHERN CALIFORNIA LITERATURE

**S**PANNING SIXTY YEARS OF WRITING, *Latinos in Lotusland* brings to life Latino denizens of Los Angeles and the city's surrounding communities. And what a complex and diverse group of people we observe: young and old, gay and straight, rich and poor, the newly arrived and the well established. These actors perform on a stage set with palm trees, freeways, mountains, and sand in communities from East L.A. to Malibu, Hollywood to the San Fernando Valley, Venice Beach to El Sereno. This landmark anthology brings together established and newer writers alike, offering the reader tales to be enjoyed for their beauty, power, and eloquence.
