TO DR. W.H. TIMMONS...

We proudly dedicate the 1963 Flowsheet. A friend to his students and highly regarded by his fellow professors, Dr. Timmons became a hard-working member of the faculty at the college upon his arrival in 1949. Dr. Timmons received his Ph.D in history from the University of Texas, where he wrote his dissertation on Jose Maria Morelos, called "the greatest leader of the movement for Mexican independence" from Spain. From this dissertation has come a new book of significance in Mexican History—a biography entitled Morelos—Priest, Soldier, Statesman of Mexico. From his early research into the life of the Mexican leader, Dr. Timmons became convinced that too little was known about the great leader, so he determined to help bring him more forcefully to the attention of Americans. His book has done so. For his teaching, for his friendship to students, for his hard work to advance the interests of this college, we salute him and to him we dedicate this yearbook.

Dr. S. D. Myres, Mr. Carl Hertzog, and Dr. Timmons survey the frontispiece of Dr. Timmons' new book on Jose Morelos.

"If you think I'm going to paint any mountain, you are out of your mind!"

"I always thought Freshmen now I know what it is!"

"And just WHAT did you have in mind?"
PAIL OF WHITENASH

had a purpose on campus,

"Shotguns are for weddings... not FRESHMEN!"

"AT LEAST he kept his beanie clean!"
Chow line? I'm sorry, but this is for Modern Dance tryouts!

FRESHMEN FEED THEIR FACES

Didn't your mother ever teach you to wash before eating?

What'd you expect—FILET MIGNON?
"...and from here we go to the University of Mississippi"

"...and this one's for Jimmy Meredith, it's called 'you'll never walk alone'"
...and this little piggy went to market...

Well, regimentation's here again.
Go directly to jail—don't pass go, don't collect $200.

Let's see your driver's license, birth certificate, last year's registration receipt...
"She just THINKS she's going to have a good time!"

"Talk about a mob scene...!"

"The U. N. meets again!"

"Well you see, it wasn't really a RAID!..."
"She didn't shave her legs!"

"And it's all MINE!!"

"I was told to rush everybody."

"Did you hear about the traveling salesman who..."

"And it's all MINE!!"
FOOTBALL WAS BETTER

Remember that goal-line stand against U. of N. M?
Did you ever feel really unpopular?

In order to raise money for their annual Milk Fund, the APO's evidently invited several guest speakers from the peace corps.

"Dig that chick four rows up....!"

"BASKETBALL"

Last time I did this I got my hand caught... took almost 15 minutes to get me down!

"For the last time, NO! You can't play with my ball!"

"Go down four blocks, turn right, and 'Pepe's' is right across the street..."
What! Me worry...

Hmmm... it is grey!

There's more than one reason for dressing neat.
PARKING...

Down in the valley...

... and hanging on cliffs

but never in a parking lot on this campus.
Tasty! But, uh, do you happen to have a bufferin?

COLLEGE PLAYERS
Even my best friend told me!

And then — you pick up the jacks like this and...

I'll explain just one more time...

College literature?

"About those cokes . . . ."

Phi Beta Chi, TWC's newest sorority, was founded in October, 1962. Their colors are green and gold, their flower is the talisman rose, and the pin is a golden sword. Since then they have acquired a house on Randolph Street. The Phi Beta Chi's stress informality.
I take the beard off when I go off duty.

Let's see... 30 tickets last semester and only 21 this semester. What happened?

Ha! Soon there won't be any more students driving on campus.

I'll call it a day, I only gave 17 tickets today. Too bad.
Sledding is a new experience for these El Pasoans, but they seem to be doing quite well.

These eager students are ready to board the bus to the annual Snow Fiesta in Cloudcroft for fun, frolic, and snow ball fights.

Snow Fiesta Chairman Marilyn Geyer registers these snow-bound visitors for competitive activities.
Relaxing and singing folk songs after an exhausting yet exhilarating day in the snow is the perfect way to spend the late afternoon.

The dance in the Cloudcroft Lodge following the day's activities is the most participated-in event.

The 1963 Snow Fiesta was climaxed by the selection of Christy Upshaw as Snow Queen. Escort John Rudisill demonstrates his pride in her.
Are you smoking more now, but enjoying it less?

Maybe if you try dancing on your own feet?

Dr. A. H. Berkman, Dean of Arts and Sciences since 1959, announced this Spring that he was retiring, and Dr. Ray Small was to assume the responsibilities of this title. Dr. Berkman will continue serving the college as a full professor in the department of Biological Sciences.

Dr. Ray Small, who has been serving as assistant to President J.M. Ray, will take over his new duties as Dean of Arts and Sciences in June. He came to Texas Western College just two years ago from Amarillo College where he had been since 1946. Dr. Small is also a professor of English.
These are the men who direct the destinies of the University of Texas system. They are members of the Board of Regents.

The government of the University of Texas system is by law vested in a Board of Regents composed of nine members appointed by the Governor of Texas, with the approval of the Senate, for staggered terms of six years each, the terms of three members expiring on odd-numbered years.

Regular meetings of the Board are held customarily every two months, usually in Austin.

The Board presides over all matters relating to the policies governing the University of Texas and its component institutions.

The Beta Alpha chapter of Sigma Alpha Mu was founded on the campus of Texas Western College on November 22, 1958. The flower of Sigma Alpha Mu is the purple iris, and its colors are purple and white. Beta Alpha is one of the ninety-two chapters of Sigma Alpha Mu. This year's officers are the following: President, Michael Bernstein; Vice-President, Gene Rosen; Secretary, Al Trope. Sweetheart this year for Sigma Alpha Mu was Sheilla Hoffman, a member of Alpha Epsilon Phi Sorority.
The Tekes started the 1962-63 school year off by pledging 20 new members. Backing up a little, last spring they held their Red Carnation Ball where Sharon Dodgen was chosen as their sweetheart for this year. Barbara Olfers and Jane Dunsmore were honored as Teke Dream Girls for the year as well. Then, in August, they moved into their new house, one of the three fraternities on campus to live in their house. Their officers for this year were President, Grady Cofer; Vice President, Ernie Perez; Secretary, Roger Parks; and Treasurer, Michael Griffin.

The 1962-63 cheerleaders were the main source of spirit this year. They saw the football team, with its new coach, through a successful season and cheered the basketball team, one of the finest in the country. These enthusiastic girls brought pep rallies to the campus for the first time, and they appeared on television several times for the purpose of promoting school spirit. Their support of all school activities was noticed by their peppy, new uniforms seen at nearly every function. From left to right, top row: Carole Jenness, Dianne Irvin, Sandi Van Brunt. It is with great pleasure and some apprehension that I present the 1963 Flowsheet to you, the students and faculty of Texas Western College. I sincerely hope the months spent by the yearbook staff have resulted in a book which will always bring pleasurable memories to each of you.

Many people contributed to this book who will receive no recognition. Yet without their assistance this book would never have gone to press. Therefore, I would like to extend my heartiest thanks to a few of them.

To Mr. John Middagh, advisor to the Flowsheet, for his support throughout the year.

To Mr. Frank Goss and Henington Publishing Company for their patience and advice.

To Mr. Steele Jones and Mr. James Whitlaw for their assistance in obtaining faculty pictures.

To Mr. Eddie Mullins for sports pictures; to Sgt. Swidelsky for ROTC pictures.

To Ed Flynn, Jim Bacon, Jeff Berry, and Bob Baker for special photographs; to Ted MacIag for the bulk of the photographic work.

And to many others who went out of their way to assist me this year.

Finally, a special note of thanks to Kit Detwiler, Maggi Wiswell, and the entire staff for not only producing an annual, but for putting up with me.

Charles O'Reilly, Editor
